

How to provide additional information

A consent authority or certifier may request additional or revised information to support the assessment of your application. This may occur prior to the application being lodged or at any time during assessment.

Alternatively, you may need to provide the consent authority or certifier with updated documentation during the assessment of your application.

This Quick Reference Guide outlines the steps to provide the additional information in the NSW Planning Portal.

Responding to additional information requests

To ensure that the additional information request can be resolved, please ensure that you provide the additional information using the steps below. Note: If the information is provided outside of the process below, the determination will be unable to be input.

If a consent authority or certifier request additional or revised information, you will receive a system-generated email advising you of the request for information. To respond:

1. Log in to the NSW Planning Portal and **open** the application that requires an additional information response from your Active work.

Note: The status will be “Additional information requested”.

Reference Number	LGA Name	Site Address	Status
PAN-22276	SUTHERLAND SHIRE	1 BINYA PLACE COMO 2226	Additional information requested

2. Review the request comments by **clicking** on the Additional information summary tab.

6. **Click “Submit”** to complete the information request.

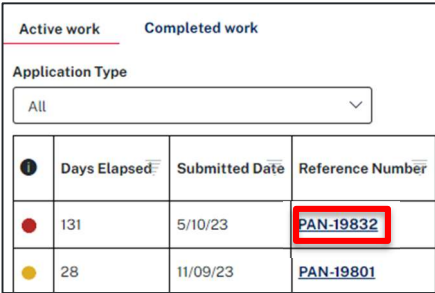

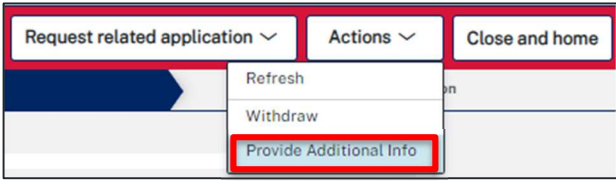

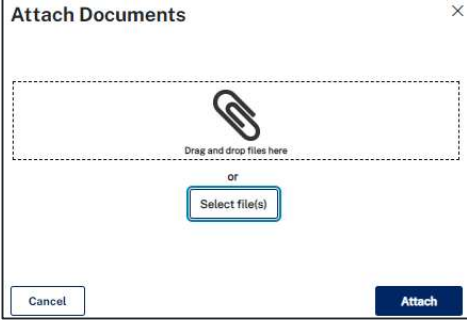

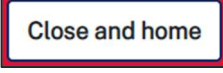

7. **Click “Close and home”** to return to your Active work.

Providing additional information

Do not use this option when the consent authority or certifier has initiated an additional information request. You will not be resolving the outstanding request and the system will create a new one.

To provide additional information outside of an information request:
